**Students Name(s) and Grade(s)** \_\_\_\_\_

**Service Requirement:**

Each student's tuition is subsidized by the parish and school. It is essential that each and every family work at fundraising and community building events that help keep tuition affordable for all. To accomplish this, each family is asked to provide 20 hours of service per year. Fifteen of these hours are dedicated to the school and five to the parish. Service to others is part of being a Catholic school, and we teach this to our students.
